

Zhejiang-Jinhua Study Trip (2-6/3/2016)

Thirty S.5 students, together with our Assistant Principal, Miss Wu and teachers joined our School Study Trip to Jinhua, Zhejiang from 2-6 March. The 5-day trip offered students a chance to have a deeper understanding of Chinese history and culture. They visited the High School Affiliated to Zhejiang Normal University and a sister school of our school, and shared learning experience with mainland students.
