

Talk on Preparation for 2016 HKDSE Results Release and Multiple Career Pathways

The Careers Team held a talk to help S.6 students prepare for HKDSE results release and other career pathways on 11th July 2016.

After the principal's speech on encouraging S.6 students to adopt a positive attitude to make their career choice, the speakers provided information on the important dates and events about JUPAS application and 2016 HKDSE results release, the admission requirements of different tertiary education programmes, the skills of making modification to their JUPAS choices, E-APP application and other career pathways.

There were also consultation groups for students and parents after the talk. They could seek advice from class teachers and career teachers with respect to their personal needs.
