Our graduate Ms. PANG Yan-tsz was shortlisted as one of the finalists of the 7<sup>th</sup> Spirit of Youth Hong Kong Award 2019 organized by the South China Morning Post (SCMP). Yan-tsz has shown great care and concern for our community throughout her secondary school life. Not only does she help promote a smoke-free lifestyle, but she also aspires to help the disadvantaged in society and promote social inclusion, contributing to social equality.

The Spirit of Hong Kong Award is an annual campaign of the SCMP for celebrating the achievements of truly remarkable people who might otherwise be off the radar.
