

Endowment of Wisdom Pursuit of Excellence
Open Day cum Golden Jubilee Celebration Kick Off Ceremony
N.T. HEUNG YEE KUK YUEN LONG DISTRICT SECONDARY SCHOOL

Our school Open Day cum Golden Jubilee Celebration Kick Off Ceremony was successfully held on 24th October 2017. During this joyful occasion, 56 clubs and teams joined hands to bring to life our theme for the Open Day: “Endowment of Wisdom Pursuit of Excellence”.

In the morning, we were honoured to have invited Secretary for Education Mr YEUNG Yun-hung, Kevin, JP, as our honorable guest for the Golden Jubilee Celebration Kick Off Ceremony. Mr. Yeung highly commended our school on nurturing students in the West New Territories and our students for inheriting the spirit of our school motto, having great conducts and integrity, and for their outstanding academic performance. After the ceremony, a “Secretary for Education Sharing Session” was held. Our school invited student representatives from Chiu Lut Sau Memorial Secondary School, Tin Shui Wai Government Secondary School and Yuen Long Public Secondary School to discuss educational issues with the Secretary for Education. The sharing session was broadcasted live in our school with the help of our School Campus TV Team. Our students greatly benefitted from the inspiring sharing of Mr. Yeung.

The Open Day attracted a lot of participants, including 16 primary schools with nearly 500 students and 486 guests. Over 150 parents attended the Sharing Session conducted by Principal LAM. With the hospitality and detailed introduction of our students, together with the elaborate displays and interactive games, guests participated in the event attentively and developed a better understanding of the school.

On Open Day, our school was decorated throughout with colourful flags, which conveyed a strong festive atmosphere. The extensive and richly detailed displays in the hall and covered playground demonstrated our students’ remarkable efforts and creativity. The Parent-Teacher Association introduced hama beads craft and prepared thoughtful gifts for guests; Visual Arts Club introduced pressed flower crafts and invited guests to try making their own pieces; Music Club dazzled our visitors with classical music at different periods throughout the day. Furthermore, a musical marathon of Chinese and Western music, orchestra performance, juggling performance, jazz dance, and a wide variety of other performances were held in the School Lobby, Basketball Court and on the stage in the Hall. These energetic shows highlighted the endless talents of our students.

Our Open Day finished at 5 p.m. With a greater understanding of Heung Chung, our guests left our school with beautiful souvenirs and a sense of joy and happiness.

All the clubs demonstrated outstanding designs and decorations. After voting, the awards were as follows:

The Best Content Award: Geography Club and Volleyball Club
