Admission Talk from The University of Hong Kong

It was our pleasure to have invited Mr Charles Mak the representative from Admissions and Academic Liaison Office of The University of Hong Kong to give a talk to S.6 students about different faculties, programmes and admissions of the university on 12th October 2016. In the talk, Mr Mak provided a lot of valuable admission information of The University of Hong Kong for our students, such as the curriculum and admission requirements of different programmes, services and facilities of the university. After the talk, our students also joined tutor groups chaired by students who are currently studying in The University of Hong Kong. Some of the student tutors are also our alumni. All the students were much benefited from the talk and tutor groups.
