

Young Astronaut Training Camp

S.5C Chan Mei Yee has joined Young Astronaut Training Camp organized by Leisure and Cultural Services Department, the Chinese General Chamber of Commerce, the China Astronaut Research and Training Center and the Jiuquan Satellite Launch Centre, in association with the Beijing-Hong Kong Academic Exchange Center.

30 students were selected from over 180 nominated students from 125 secondary schools in Hong Kong to participate in the 8-day camp in which participants joined a series of astronaut training programmes in Beijing and Jiuquan to learn about space science, astronomy and China's remarkable achievements in aerospace development. In addition to visiting major space and astronomy facilities including Beijing Aerospace City and Jiuquan Satellite Launch Centre, participants also had opportunities to meet celebrated astronauts, attend lectures on space science and technology and participate in astronaut training including the wearing of spacesuits, psychological training and survival training and blood redistribution adaptability training.
