

Yuen Long Walled Village Tour

Twelve S.4 students joined a tour about Yuen Long walled villages on 13 November, 2016. As the tour guides of the activity, our students guided the members of the tour to Pat Heung, one of the old walled villages in Yuen Long. In the tour, students introduced different famous historic sites in Pat Heung, such as Pat Heung Old Temple and Chik Kwai Study Hall. Besides, they also visited Flea Market and learnt more about the traditional handcrafts. Finally, students enjoyed Poon Choi and watched the performance with the tour members.
