

## **Talk for S3 Parents: Selection of Senior Secondary Subjects and Life Planning**

Career and Life Planning Talk for S3 Parents on Selection of Senior Secondary Subjects has been successfully held on 24 February 2017. The talk aimed at equipping parents with career and life planning skills which allow them to guide their children to make informed subject choices in accordance with their abilities, interests and aspirations. Over 70 parents attended the talk and their response was very positive.
