

S.1 Orientation Day (16 July 2019)

The S.1 Orientation Day was successfully held on 16 July 2019, with over 300 parents and students participating in the event.

The Orientation Day started with Principal YUEN's welcoming speech. Following the speech, parents were introduced to learning and teaching, guidance and discipline services, other learning experiences, Parent-Teacher Association and Healthy School Programme of our school. They were also taught how to use the 'eClass Parent App' to keep up to date with issues relating to the school. Our School Social Worker Ms. LEE Wing-shan shared tips on how to adapt to the new school life.

After the seminar, a campus tour was organized for S.1 students and parents in order to help them become more familiar with the school environment.

In the Orientation Talk conducted for S.1 students in the afternoon, students were able to learn more about the school's guidance and discipline services, get a taste of various uniformed groups, Orchestra and Chinese Orchestra, other learning experiences and be introduced to the proposed cabinets of the Student Association.
