

Cultural and Historical Tour to Shandong (30 June to 5 July 2019)

In order to enhance students' understanding of Chinese culture, Cultural and Historical Tour to Shandong was held from 30 June to 5 July 2019.

Thirty S.4 and S.5 students, together with our teachers, visited Daming Lake, Mount Tai, Qufu, Weihai and Qingdao. The tour allowed our students to immerse themselves in the scenic, historical and cultural beauty of Shandong, and deepened their understanding of Confucianism.
