Our school Open Day was successfully held on 22 March 2019. During this joyful occasion, students of 58 clubs and teams displayed their talents, featuring our theme for the Open Day: “Together We Achieve a Caring Campus”.

The opening ceremony was graced by the presence of our principal, Mr. YUEN Kwong-yip, members of the alumni, guests, parents, staff and students. They joined hands to piece together the Open Day logo which marked the beginning of the event.

The Open Day attracted a lot of participants, including 11 primary schools with nearly 400 students and 300 guests. With the hospitality and detailed introduction of our students, together with the elaborate displays and interactive games, our guests participated in the event attentively and developed a better understanding of the school.

On Open Day, our school was decorated throughout with colourful flags, which conveyed a strong festive atmosphere. The extensive and richly detailed displays in the hall and covered playground demonstrated our students’ remarkable efforts and creativity. The Parent-Teacher Association introduced Chinese knots and prepared delicate gifts for guests; Visual Arts Club introduced paper filigree and invited guests to try making their own pieces; Technology for Life Club demonstrated the 3D printing technology. Furthermore, a musical marathon of Chinese and Western music, orchestra performance, juggling performance, jazz dance, and a wide variety of other performances were held in the School Lobby,
