Yuen Long Walled Village Tour

13 students joined a tour about Yuen Long "Walled Villages" on 4 November 2018. Our students formed two teams, guiding the residents from Yuen Long district or other districts to visit San Tin and Kam Tin Villages, two of the traditional "Walled Villages" in Hong Kong. Being the tour guides of this event, our students introduced famous historic sites such as Statue of Man Tin Shui, Chou Wong Yi Kung Study Hall and Kam Tin Tree House. Finally, the participating students enjoyed Poon Choi and performances of other schools near the Yuen Long Theatre.
