

Secondary School Life In Heung Chung Is Fun

On 22 September 2018, a development programme called ‘Secondary School Life In Heung Chung Is Fun’ was held by the guidance team in order to help S.1 students to understand more about their personalities and learn how to appreciate themselves and accept their limitations with a positive attitude.

Through taking part in a variety of activities, S1 students learnt how to develop relationship with peers through understanding, acceptance and appreciations.
