

The 36th Chinese Physics Olympiad (26 October to 31 October 2019)

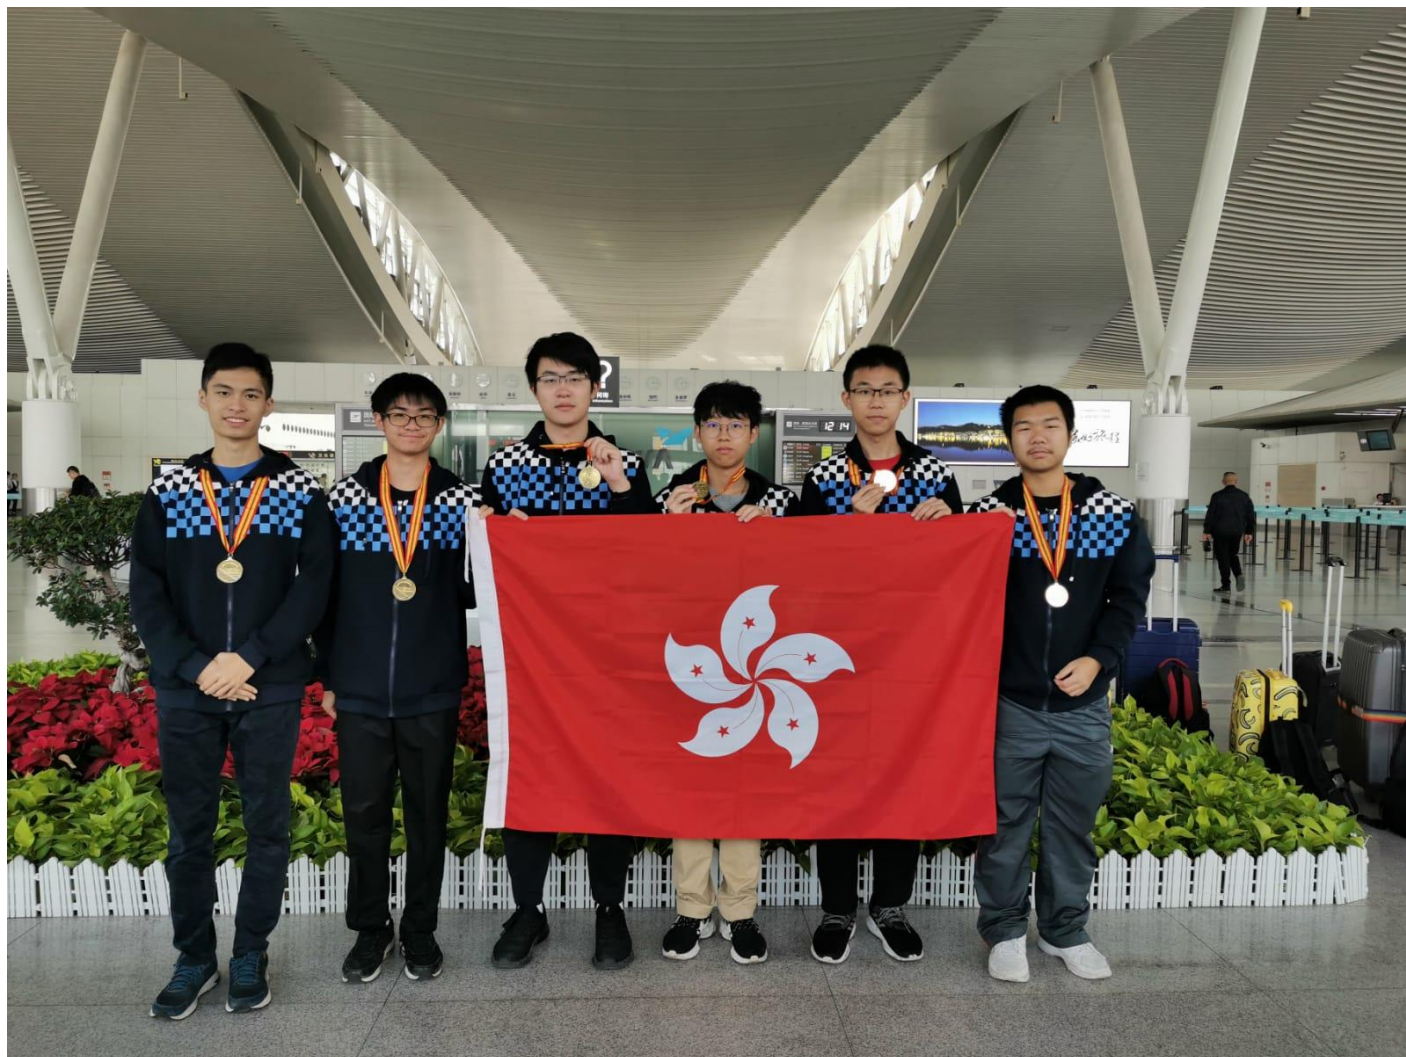

The 36th Chinese Physics Olympiad (CPhO) hosted by the Chinese Physical Society was held in Hangzhou, Zhejiang Province from 26 October to 31 October 2019.

This year, 6 elites in Physics from local secondary schools were selected to represent Hong Kong in the competition. SIU Kwok-on and NG Siu-fung from Class 6E were selected to participate in the competition and won the 3rd Prizes.

The competition aims to boost secondary school students' motivation and interest in learning Physics, and enhance learning methods and efficiency; it also means to enliven the learning atmosphere and foster young talents through promotion of diverse extra-curricular activities in schools.

SIU Kwok-on (3rd left) and NG Siu-fung (1st right) represented Hong Kong and won the 3rd Prize in the event.
