

**Harmonious School “Peer Mediation Project” 2020/21**

(3 June 2021)

12 outstanding prefects were awarded a Certificate of Commendation in the Harmonious School “Peer Mediation Project” 2020/21 jointly organized by Hong Kong Family Welfare Society and the Education Bureau. In the 12-hour training programme, our students participated in group discussions on case studies, role-playing activities and group presentations, learning how to resolve conflicts among peers peacefully and rationally so as to contribute to a harmonious school and community.
