

2021 UOB Art in Ink Award

(10 December 2021)

1D LEUNG Sze-hang got the **Bronze Award** in Landscape or Figurative (Junior Student Category) in the 2021 UOB Art in Ink Awards organized by the UOB Art Academy. The theme of her artwork is “Sad Meal”.

Through her artwork, Sze-hang raised public awareness on humans’ overconsumption of food. She wondered if humans are seen as pets or food in the vast universe and if humans will slowly vanish in the universe with our indiscriminative consumption of meat. The award-winning artwork has been added to the UOB Art Collection.

The UOB Art in Ink Awards aims to foster long-term appreciation for the medium, present opportunities for the local community to uncover their artistic talent, provide a platform for local artists to showcase artworks and facilitate cultural exchange. This year, the competition encourages artists to reflect on the relationship between art and sustainability and to forge a wonderful future through ink art.

Are there any other planets in the vast universe that consider humans as pets or food? If we continue to consume meat at our current pace, we will slowly disappear from existence.

在浩瀚的宇宙裡，會否有其他生物視我們人類如寵物甚至食物呢？若我們不斷肆虐吃肉類，人類最終會慢慢地消失於宇宙。
