

Life-wide Learning Day

(26 January 2024)

The annual Life-wide Learning Day was successfully held on 26 January 2024 (Friday). Besides enriching students' other learning experiences and broadening their horizons, the event also promoted values education and enhanced students' national identity. Students were given the opportunity to decide on the outing activities for their own class, which helped strengthen the bond among classmates and build rapport between teachers and students.

Details of the activities for various forms are as follows:
