

Hong Kong Outstanding Students Award 2022-2023

(20 January 2024)

6E WONG Ying-chun Gladys was selected as one of the **Top 10 Hong Kong Outstanding Students** in the Hong Kong Outstanding Students Award 2022-2023 organized by the Youth Arch Foundation.

Award	Awardee
Top 10 Hong Kong Outstanding Students	6E WONG Ying-chun Gladys

With the aim of promoting students' whole-person development, the Hong Kong Outstanding Students Award not only commends students who care for our society, but is also an opportunity for self-discovery and the development of their potentials. It encourages and inspires more students to shoulder the responsibility of contributing to our society.

In the Thanksgiving Speech Session, Gladys expressed her gratitude to the school for providing students with all sorts of opportunities to explore and learn. She particularly thanked Principal YUEN for his unconditional support and encouragement. Aspiring to inspire and heal others with the power of words, she wished to encourage a deeper understanding of humanity through her writing. At last, she sincerely thanked her teachers and beloved family.

With the theme of this year's award 'Giving is Outstanding', students broadened their horizons by participating in various learning activities. Award winners were selected after rounds of assessments, including a written test, an assessment day camp, voluntary enrichment programs, a sharing session, and an interview by a panel of professional judges. With her outstanding academic results, exceptional personal qualities, exemplary character and strong passion for serving the community, Gladys won this prestigious award. The Award Ceremony was held on 20 January 2024 (Saturday).
