

Christmas Activities cum Community Chest Dress Casual Day
(22 December 2023)

A series of Christmas activities were held on 22 December 2023 (Friday). There were Christmas performances and class party activities on that day. Principal YUEN and Assistant Principals held a lottery and distributed Christmas gifts to our students, enhancing the festive atmosphere and bringing warmth to their holiday season.

On the same day, our school held the Community Chest Dress Casual Day fundraising event to cultivate students' care for our community and the spirit of helping the needy people. With parents and students' generous donation, we raised a total of \$55,690.

Principal YUEN and Assistant Principals conducting a lottery, extending their heartfelt Christmas wishes to our students

Our students energetically showcasing their talents on stage during the performance
