

The IET Faraday Challenge Day Final

(25 November 2023)

Our students attained outstanding performance in the IET Faraday Challenge Day Final organized by the Institution of Engineering Technology (IET) on 25 November 2023 (Saturday). Among three participating teams, one was awarded **2nd Runner-up** with their design 'Fight Box' whereas two other two teams were awarded **Merit Prize**.

The theme of the 2023 season of Faraday Challenge Day was about 'Future Flight'. It gives students the opportunity to research, develop designs and make prototype solutions to genuinely tough engineering problems.

Prizes awarded are as follows:
