

PTA Shenzhen Aerospace Technology One-day Study Tour (18 November 2023)

The Parent-Teacher Association of our school held the Shenzhen Aerospace Technology One-day Study Tour on 18 November 2023 (Saturday) with a total of 38 participants including teachers, parents and students.

In the morning, we paid a visit to the Aerospace Technology Education Base of the Southern Research Institute of Space Technology in Longgang and enjoyed lunch there. All participants learnt about the advancements and challenges in the field of aerospace technology in China. In the afternoon, we visited Shekou Sea World to explore the culture of art creation. Through the study tour, participants had a deeper understanding of the country's cutting-edge technological applications, aerospace technology and art culture.
