

## **Mainland Study Tour of the Senior Secondary Subject of Citizenship and Social Development** (17-18 November 2023)

With the aim of enabling students to learn about the history, culture and the latest development of the Motherland, and to strengthen their sense of national identity and patriotism, 131 S.5 students with our Assistant Principal, Mr. LO and 13 teachers joined the Study Tour of Senior Secondary Subject of Citizenship and Social Development (CS) organized by the Education Bureau from 17 November (Friday) to 18 November 2023 (Saturday). The destination of this study tour was Huizhou, Guangdong Province.

The study group departed for Huizhou on 17 November morning by High Speed Rail. Our students first visited the Coca-Cola factory, which let them learn about the history of development of this international corporation in the Mainland. In the afternoon, our students visited Huizhou Hualuogeng Senior High School. The activity helped them gain a deeper understanding of the similarities and differences between the education systems in the Mainland and Hong Kong, as well as fostered the friendship between the students of the two schools.

On the second day, our students visited the Chaojing Gate, Dongpo Memorial Hall, Shuidong Street, and Xihu. Through the visits, our students gained first-hand experience of Huizhou's local customs, learned about the poems and writings left by ancient poet Su Shi, as well as the work and achievements of the Motherland in cultural heritage and environmental conservation and economic development.

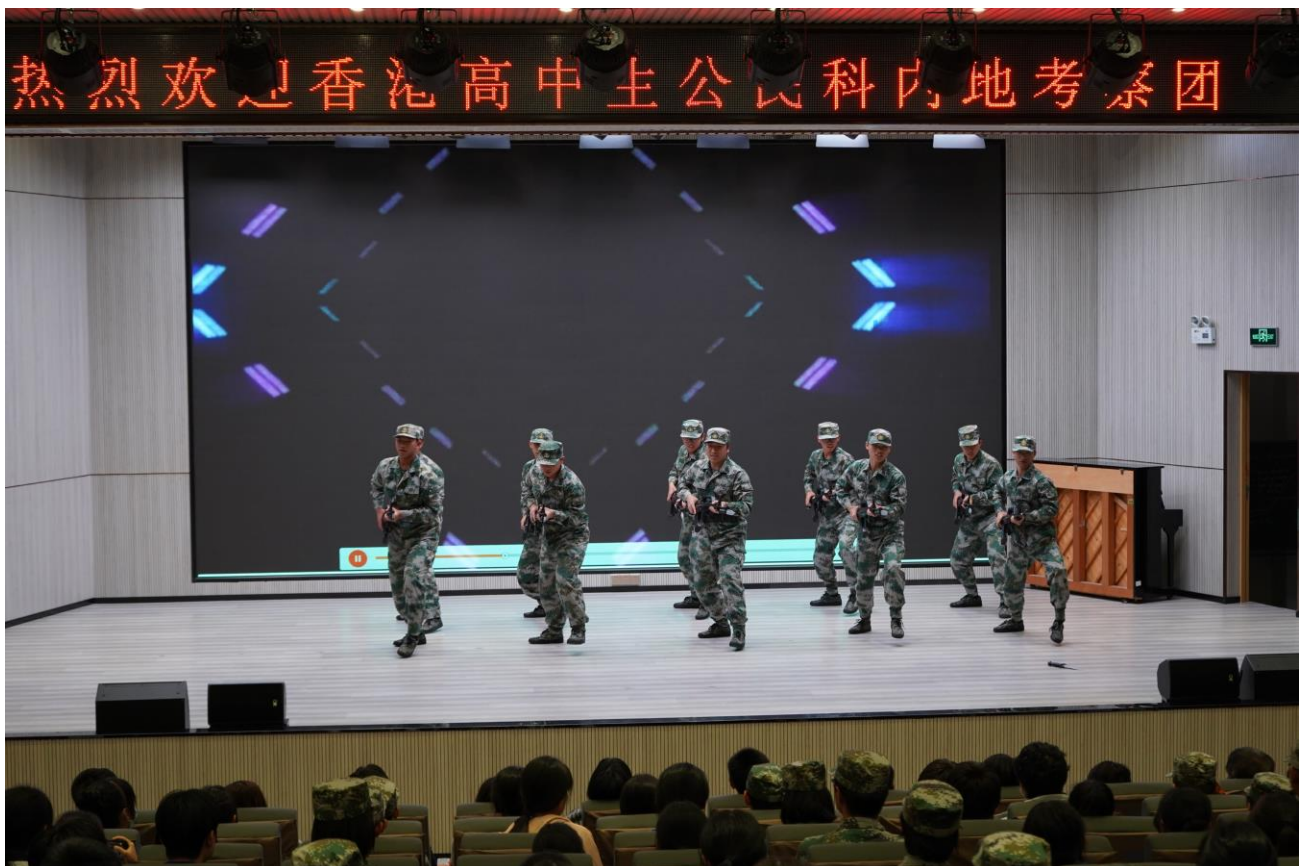

The study tour helped our students deepen their understanding of the Motherland's history, culture and latest development as well as the opportunities available for their development in the Mainland. The study tour greatly benefitted our students, preparing them well for future studies and careers, and enabling them to make valuable contributions to Hong Kong and even the country as a whole.

Our school engages in an exchange program with students from Huizhou Hualuogeng Senior High School
