

Ampower Talent Institute
Career Planning App (Proof of Concept) Design Competition 2022
(6 April 2022)

4A CHAN Yu-chung, 4E CAI Ching-hang and 4E KUNG Ka-ho were awarded the **1st Runner-up** in “**Essential Skills & Personality Traits X-Ray Competition**” and **Outstanding Student Award** in “**Graphical User Interface and Design Competition**” in the Ampower Talent Institute Career Planning App (Proof of Concept) Design Competition 2022.

Prizes awarded are as follows:

Category	Award	Awardees
Essential Skills & Personality Traits X-Ray Competition	1st Runner-up	4A CHAN Yu-chung 4E CAI Ching-hang
Graphical User Interface & Design Competition	Outstanding Student Award	4E KUNG Ka-ho

The competition aims to encourage learning of the latest IT concepts as well as early career planning amongst students. CHAN Yu-chung, CAI Ching-hang and KUNG Ka-ho have designed simple but user-friendly interface for the Career Planning App. They have precisely analysed 10 essential skills and personality traits for two types of jobs: Sales and Marketing Manager and User Experience Designer. With their outstanding analysis, they were awarded the 1st Runner-up amongst more than 250 entries in the competition.

The Online Award Ceremony was held on 6 April 2022, and was officiated by Victor LAM, JP, Government Chief Information Officer of the HKSAR, Nick CHAN, MH, JP, Convenor of Ampower Talent Institute, Sophia CHAN Yap, CEO of Ampower Talent Institute and Legislative Council Member The Hon Kenneth FOK Kai-kong, JP.
