

Virtual Exchange Programme with Sister School –

Ningbo No.2 High School

(19, 21 April & 23 May 2022)

A virtual exchange session was conducted between S3 and S5 students of our school and our sister school - Ningbo No.2 High School on 19 April 2022. The video conference started with welcoming speeches from the Assistance Principals of the two schools. Then, the student representatives introduced the special features of each school, giving students an insight of the other's school life. Before the end of the conference, students fervently waved at each other and looked forward to visiting each other in person.

Teachers from Ningbo No.2 High School and our school conducted English lessons on 21 April and 23 May respectively, enabling students to observe and learn from each other. Teachers then conducted professional exchange and sharing. This greatly strengthened cultural interflow and achieved mutual advancement.
