Our school has been participating in the programme for 9 consecutive years. The programme aims to enhance students’ knowledge on smoke hazards and tobacco control, nurture teenagers to become future leaders in society, and promote smoke-free culture in the community. The programme revolves around knowledge and skills training, as well as project planning and execution. Having acquired knowledge of tobacco control and smoking hazards, the two teams of our students organised various smoke-free advocacy activities on campus and in the community, spreading the smoke-free healthy living message. With their concerted efforts and creativity, they attained remarkable achievements. The Prize Presentation Ceremony cum Sharing Session was held on 24 June 2022.
