(23 September 2022)

To celebrate the 73<sup>rd</sup> Anniversary of the Founding of the People's Republic of China, our S1 students, together with students from four other secondary and primary schools, joined the “Youth Kung Fu Performance in Celebration of the National Anniversary” (少年獻慶賀國瑞 浩然正氣功夫大匯演) jointly organized by Zheng Qi Charitable Foundation and NTGG (青晉義工團).

Around 500 students celebrated the national anniversary through Kung Fu Performance in the afternoon on Friday, 23 September 2022 at Tun Yu School. Deputy Director General of the New Territories Sub-office of the Liaison Office of the Central People's Government in the HKSAR Mr LI Gongxun officiated the event and gave a speech. Before the event, our S1 students first received some fundamental kung fu training and learnt about traditional Chinese culture from Ms. LI Fai, MH, Chairperson of Hong Kong Tai Chi Youth Charitable Foundation. Besides feeling honored to have a chance to fervently join the celebration of the National Anniversary with students from other schools, some of them showed interest in learning Chinese martial arts after the event.
