The selection aims to encourage secondary school students to utilise their potentials and strive to be all round, by awarding participants with outstanding qualities in academic performance, extra-curricular activities, community services, leadership and self-awareness. The Prize-giving Ceremony was held on 24 July 2021, Sunday.

This year, with the theme 'ON/OFF Line Life Balancing', the selection hopes to create an opportunity for secondary school students to reflect on their new learning models under the pandemic and explore the balance between life in the virtual world and the real world. Owing to her outstanding performance through 3 rounds of interviews, S5 WONG Pak-ching Janice was selected to be one of the Top 20 HKSAR Outstanding Students.
