

**Heung Chung 1<sup>st</sup> HKDSE Top Scorer**  
**Congratulations to YU Tung-ching!**

(3 November 2022)

Our student **YU Tung-ching**, 2022 S6 graduate, got **perfect exam scores (5\*\*)** **across 7 subjects** in the 2022 HKDSE and was crowned **“Top Scorer”**, Heung Chung’s first since 2012 HKDSE.

We are delighted to have been informed by the Hong Kong Examinations and Assessment Authority of the successful appeal of the grade in Tung-ching’s Economics Examination, resulting in her seventh 5\*\*. We are truly grateful to the Hong Kong Examinations and Assessment Authority for seeking accuracy and fairness in assessment, giving recognition to Tung-ching’s excellent performance.

Tung Ching has consistently been an outstanding student who always goes the extra mile to strive for excellence. Her successes are a result of her wholehearted dedication and strong commitment in her studies. Having a genuine zeal for learning, she has been keen on acquiring knowledge before the examination; even after the examination, she has endeavoured to seek truth.

With aspirations of being a lawyer, Tung-ching is currently studying Bachelor of Laws (UCL) and Bachelor of Laws (HKU) LLB.

Many congratulations to Tung-ching, an exemplary role model to all Heung Chung students. We are all so proud of you!
