

## 2021-2022 National Secondary School Essay Writing Competition (Hong Kong)

(5 November 2022)

**5E YANG Zifei** won the **Bronze Award** (Senior Category) in the 2021-2022 National Secondary School Essay Writing Competition (Hong Kong Division) organised by the Hong Kong Institute for Promotion of Chinese Culture.

Award	Awardee
Bronze Award (Senior Category)	5E YANG Zifei

The Prize Presentation Ceremony was held at the Hong Kong Central Library on Saturday, 5 November 2022. Zifei's awarded piece entitled 'Thoughts on a Shadow' contemplates the meaning of existence through the conversation between 'Me' and 'Shadow'. She first depicts the two protagonists being envious of each other's identities, grumbling about their own circumstances; she then shows "my" subconscious realization of existence through their conversation. Zifei ends the story with the line: 'Shadow has never vanished; Hope forever exists; I shed on me; I follow myself.' The story is thought-provoking and truly inspiring.
