

The IET Faraday Challenge Day Final

(15 August 2021)

Our students were awarded the Champion and 3rd Runner-up with their designs “Multi-purpose Floor” and “Automatic Curtain System” in the IET Faraday Challenge Day Final organized by the Institution of Engineering Technology (IET) on 15 August 2021.

The theme of the 2021 season of Faraday Challenge Day was about Transportation and Sustainability. It gave students the opportunity to research, design and make solutions to genuinely tough engineering problems.
