

2022/23 Statistical Project Competition for Secondary School Students

(3 June 2023)

In 2022/23 Statistical Project Competition for Secondary School Students co-organized by the Hong Kong Statistical Society and the Education Bureau, **3C SO Hoi-ki**, **3D SUN Wat-ching, Sunny** and **WONG Hoi-dik** were awarded Certificates of Appreciation.

The aims of the competition are to promote the interest of secondary school students in research methods, statistics and statistical techniques; encourage students to understand the local community in a scientific and objective manner through the proper use of statistics; and to promote a sense of civic awareness.
