Our school has been participating in the programme for 10 consecutive years and has attained promising results. The programme aims to enhance students’ knowledge on smoke hazards and tobacco control, nurture teenagers to become future leaders in society, and promote smoke-free culture in the community. The programme revolves around knowledge and skills training, as well as project planning and execution. Having acquired knowledge of tobacco control and smoking hazards, our four participating teams organised various smoke-free advocacy activities on campus during the Smoke-free Week (from 7 December (Wednesday) to 15 December 2022 (Thursday) and in the community, spreading the smoke-free, healthy living message. With their concerted efforts and creativity, they attained remarkable achievements. The Prize Presentation Ceremony cum Sharing Session was held on 15 May 2023 (Monday).
