The event was jointly organized by the Heung Yee Kuk N.T., the Alumni Association of N.T. Heung Yee Kuk Yuen Long District Secondary School and N.T. Heung Yee Kuk Yuen Long District Secondary School. For years, the Heung Yee Kuk N.T. has been providing children in the region with opportunities to receive quality education. Thus, the main objectives of this annual event are to encourage students to develop themselves to be all-rounders and cultivate their civic awareness as well as sharpen their sense of responsibility towards society. It also gives due recognition to outstanding primary school students and highlights educational achievements of schools in Yuen Long.

This year, the event was enthusiastically supported by principals and parents of primary schools in the district. 132 outstanding students were nominated by 45 primary schools to join a written test in Phase 1. In Phase 2, 20 finalists met our panel of prominent judges to exhibit their youthful spirit and brilliance. After careful deliberation, ten outstanding primary school students were selected in this competition. (Please refer to the name list below.) The awardees fully deserved the recognition since they demonstrated exceptional academic performance, outstanding character and personal qualities, active participation in extra-curricular activities and positive contribution to community service.
