

## **55<sup>th</sup> Anniversary Alumni Talk – Business Sector**

(10 November 2022)

To celebrate our school's 55th anniversary, we were honoured to have invited two of our outstanding alumni Dr. Simon H.C. WONG, Senior Strategy and Transformation Leader of Hong Kong Exchanges and Clearing Limited (HKEX), and Mr. CHEUNG Yat-chuen, entrepreneur, to share their valuable learning and work experiences with us.

Both Dr. WONG and Mr. CHEUNG gave students a thoughtful and inspiring sharing on different aspects of life including their success stories in the subject selection, career, time management, goal setting, work-life balance, etc. Students learnt a lot and were deeply inspired by their sharing.

Our students listen attentively to the sharing of the alumni
