

## Hangzhou, Ningbo and Shanghai Study Tour

(3 July -7 July 2023)

29 students from S3 to S5, together with Assistant Principal Mr. LO, Ms. PANG and Ms. LEUNG, went for a study tour in Ningbo, Hangzhou and Shanghai from 3 July (Monday) to 7 July 2023 (Friday) to get a better understanding of the history, culture and economic development in China. Through the study tour, students did not only have a deeper understanding of Chinese history and culture, but their sense of national identity has also been enhanced.

Our students also visited our sister school, Ningbo No. 2 High School. During the stay, our students experienced a lesson teaching new poems, shared ideas on 2023 Hangzhou Asian Games in a seminar, and had a friendly basketball match with students of our sister school. Through diversified activities, the study tour has enhanced mutual understanding and friendship between students and teachers of the two schools.

Principal YUEN sees students off at the airport, wishing them an enjoyable learning experience

Our students come across Under Secretary for Education, Mr. SZE Chun Fai, Jeff, JP at the Hangzhou Airport. We take a group photo with Mr. SZE.
