

‘Forge Ahead Compassion, Dedication, Innovation’
N.T. Heung Yee Kuk Yuen Long District Secondary School
55th Anniversary Open Day
(31 March 2023)

Our school’s 55th Anniversary Open Day was successfully held on 31 March 2023 (Friday). On this joyful occasion, students of 47 clubs and teams displayed their talents, featuring our theme for the Open Day: ‘Forge Ahead Compassion, Dedication, Innovation.

The opening ceremony began with a lighting ceremony officiated by Principal YUEN, our guests, members of the alumni, parents, staff and students. It was followed by a VR fireworks display, signifying that the young talents at our school are shining with flying colours with the concerted effort of everyone in the school. The violin solo performance, accompanied by the magnificent drone performance, and the Chinese Dance Performance, added to the festive atmosphere.

The Open Day attracted a lot of participants, including 13 primary schools with nearly 360 students and guests. With the hospitality and detailed introduction of our students, together with the elaborate displays and interactive games, our guests attentively participated in the event and developed a better understanding of the school.

On Open Day, our school was decorated throughout with colourful flags, which conveyed a strong festive atmosphere. The extensive and richly detailed displays in the hall and covered playground demonstrated our students’ remarkable efforts and creativity. The Parent-Teacher Association’s “55th Anniversary Heart-to-heart Keyring” booth provided a chance for participants, with the help of parent volunteers, to create their own souvenir keyrings; the Visual Arts Club introduced paper art, its categories and history and invited guests to try making their own paper flower art, on which blessings were written, as souvenirs; the STEAM Education Team provided an opportunity for visitors to try and experience playing floor piano, hydroponics and controlling drones. Furthermore, a musical marathon of Chinese and Western music, orchestra performance, juggling performance, jazz dance, and a wide variety of other performances were held in the School Lobby, Basketball Court and on the stage in the Hall. These energetic shows highlighted the endless talents of our students.

With a greater understanding of Heung Chung, our guests left our school with beautiful souvenirs and a sense of joy and happiness.

Participants cast their votes on the performance of different clubs and teams and the results are as follows:

The Best Content	
Champion	Movie Club
1 st Runner-up	Visual Arts Club
