

## **Second Parents' Day 2022/23**

( 12 July 2023 )

The Second Parents' Day in this school year was successfully held on 12 July 2023 (Wednesday) with all parents of all students participating in the event.

Our school holds Parents' Days twice annually in order to maintain strong bonds and close communication with parents, enhancing overall teaching efficiency.

Most of the meetings were conducted face to face, complemented by online meetings and telephone meetings, from which parents could have a better understanding of their children's performance at school. Working hand in hand with parents, our school spares no effort to nurture and cultivate our children.

On the Day, our school also arranged "55<sup>th</sup> Anniversary PTA Scholarship Donation", "55<sup>th</sup> Anniversary Souvenirs Sale" and "PTA Recycled School Uniform Collection", which received great welcome and participation from parents.

Class teachers listen to parents with patience

Class teachers discuss with parents their children's academic and overall performance

Under the two-class-teacher system in S1, parents can have a comprehensive understanding of students' performance at school

Our Reception Team is well-prepared to receive parents
