

## **2022/23 First Parents' Day**

( 24 February 2023 )

The First Parents' Day of this school year was successfully held on 24 February 2023 (Friday) with parents of all the students participating in the event.

Our school holds Parents' Days twice annually in order to maintain strong bonds and close communication with parents, enhancing home-school cooperation and effectiveness of education.

Teachers had face-to-face meetings with most parents, while online meetings and telephone conversations were also conducted for some parents so that all parents could have a chance to meet and discuss with class teachers their children's academic and overall performance. Working hand-in-hand with parents, our school spares no effort to nurture and cultivate a promising future for our students.

A sale of souvenirs of the school's 55<sup>th</sup> Anniversary and a fund-raising campaign for the PTA Scholarships were also held at the school hall. Many parents showed great generosity and supported the events.
