**The SO Brothers' Sharing on the Medical Profession and Law**  
(14 February 2023)

To celebrate our school's 55<sup>th</sup> Anniversary, alumni with distinguished achievements in different fields are invited to share their learning and life experiences with our students. On 14 February 2023 (Tuesday), we were honored to have invited Dr. SO Chun-kit, a Physician in the Accident & Emergency Team of Queen Elizabeth Hospital, and Prof. Albert SO Man-kit, Practising Solicitor and Chairman of Hong Kong Mediation and Arbitration Centre, to share valuable memories of their time in Heung Chung and work experiences with us. Students were deeply inspired by their sharing.
