

The 19th International Geography Olympiad 2023 (8 August to 14 August 2023)

5E NG Tsoi-yin has been selected as **one of the four representatives of China-Hong Kong Team** to participate in the 19th International Geography Olympiad (iGeo) held in Bandung, Indonesia from 8th August (Tuesday) to 14th August 2023 (Monday). The event was organized by the International Geographical Union Olympiad Task Force. China Hong Kong Team ranked 18th among the 46 teams.

The International Geography Olympiad (iGeo) is an annual competition for 16- to 19-year-old students from all over the world. It aims to develop youngsters' interest in geographical and environmental studies. The competition consists of three parts: a written test, a multimedia test and fieldwork. Students' knowledge of nature, humanities and geography and various skills are assessed. It also includes team poster presentation and cultural exchange sessions, in which students could get to know more about each other and explore the host city.
