

Chinese Culture Week - Field Trip to Kam Tin

(7 May 2024)

A field trip to Kam Tin was organised for S1 students on 7 May 2024 (Tuesday) afternoon. It was one of the activities of our school's Chinese Culture Week, which took place from 6 May 2024 (Monday) to 10 May 2024 (Friday). The trip aims to enhance our students' knowledge about Chinese culture and history, help them develop the ability to appreciate traditional Chinese architecture, and enhance their sense of national identity. With the decent service jointly arranged by Kam Tin Rural Committee and Kam Tin Care Team, the field trip could be smoothly facilitated. It was a truly valuable learning opportunity for our students.
