

26th Hong Kong Youth Science & Technology Innovation Competition
Science Fiction (Senior Secondary)
(24 March 2024)

Our students joined the 26th Hong Kong Youth Science and Technology Innovation Competition (STIC) organized by the Hong Kong New Generation Cultural Association. **5A LUO Tsz-yu** and **5E LUO Tsz-ling** received a Certificate of Participation in Science Fiction (Senior Secondary).

This competition aims to advocate and promote STEAM education, increase student's interest in STEAM, foster their comprehensive scientific and technological qualities, and cultivate the technological innovation talents needed in the 21st century. It provides young people with an opportunity to demonstrate creative thinking and innovative design.
