

FONG Lok-yin (2024 Graduate)

Admitted to HKU Bachelor of Medicine and Bachelor of Surgery

(21 June 2024)

Our S6 graduate, **Fong Lok-yin**, has been admitted to the **Bachelor of Medicine and Bachelor of Surgery (MBBS)** program at **The University of Hong Kong** under the School Nominations Direct Admission Scheme (SNDAS). Aspiring to be a doctor, Lok-yin embodies selflessness and compassion. She aims to make a positive impact on the lives of people in her community through her future medical career.

The School Nominations Direct Admission Scheme (SNDAS) is essentially a ‘programme-student matching exercise’ that provides opportunities for secondary students who have demonstrated exceptional talents and interests in specific disciplines / areas to be considered for direct admission to local universities.

We congratulate Lok-yin on this remarkable achievement and wish her continued success as she embarks on her journey toward becoming a healthcare professional so that she can contribute to our society.
