

Careers Expo 2024

(6 July 2024)

Careers Expo 2024 was successfully held on 6 July 2024 (Saturday) with an aim to enrich senior secondary students' understanding of different job sectors and fields.

We are honoured to have invited 24 outstanding alumni representing 11 sectors and industries as guest speakers to share their experiences in the workplace. They shared first-hand information about the job nature and career paths of different professions and sectors.
