

## Ocean Park Conservation Carnival cum Ocean Park Conservation Alliance Award Ceremony 2024

(6 July 2024)

Fourteen students participated in the Ocean Park Conservation Carnival, hosted by the Ocean Park. At the carnival, our students showcased their self-designed game booth, conveying important messages about saving species and habitats. **4B CHAN Ka-ching**, **4E LAM Hang-chi Zara**, **4E LAM Janna Zheng-sheung**, **4E WONG Wing-lee** were given an opportunity to join the Student Summit and present their conservation works in the school. The students received **the Certificate of Appreciation** in the Award Ceremony.

The Ocean Park Conservation Carnival provides a platform for schools to exchange their ideas and hard work done throughout the academic year to the general public. They are also invited to share their experience on various conservation-related projects or activities.
