**(11 July 2024)**

Our students participated in the 2024 Let's Join Hands in Safeguarding National Security Programme, which was jointly organized by the Education Bureau and the Security Bureau. The Programme aims to deepen students' understanding of the Constitution, the Basic Law, and national security. By enhancing their knowledge of the rule of law and our country's development; the programme also emphasizes the close relationship between National Security and their daily lives. It underscores the importance of safeguarding national security for individuals, society and the nation as a whole. The Prize-giving Ceremony was held on 11 July 2024 (Thursday).

In the Programme, our students actively participated in two competitions: 2024 National Security School Bulletin Board Design Competition and 2024 National Security Writing Competition.
