The “SOW in Love” Letter Writing Competition is part of a series of activities under the Campaign on ‘Promoting Positive Values and Attitudes through English Sayings of Wisdom’, organized by the English Language Education (ELE) Section of the Curriculum Development Institute and the Native-speaking English Teacher (NET) Section of the Curriculum Support Division at the Education Bureau (EDB).

The Competition is organised to enhance students’ language skills and multimodal literacy, nurture their creativity and foster their positive values and attitudes. Students are invited to write a letter to express their love and gratitude towards an entity with a SOW of their choice and create a piece of two-dimensional (2D) artwork to enhance conveyance of meaning and visual representation of the letter. 3D CHAN Pui-yan’s work conveys the primary messages of self-love, resilience, and growth. It aims to encourage individuals to believe in their abilities and enhance their self-confidence.

The Award Presentation Ceremony for the SOW Campaign 2023/24 was successfully held on 5 October 2024 (Saturday) to acknowledge and celebrate the achievements of schools and students in various SOW territory-wide competitions. CHAN Pui-yan was invited by the EDB to be the as student emcee at the Award Presentation Ceremony.
