

Yuen Long Police District Anti-Fraud Week: Anti-Fraud Talk - Education Sector

(25 September 2024)

On 25 September 2024 (Thursday), the Yuen Long Police District held the Yuen Long Police District Anti-Fraud Week: Anti-Fraud Talk - Education Sector in our School Hall. Over one hundred participants including principals, teachers, and parents from the district engaged in the event. In addition to the anti-fraud talk hosted by Chief Inspector of Police WONG Cheung-hing of the Yuen Long Police District, our students performed a drama show on the theme of anti-fraud, which not only added colours to the event, but also assisted the Police with promoting anti-crime awareness.
