

**HKUST-ExxonMobil iSTEAM Program 2024**  
**Smartbot Sports Day**  
 (9 November 2024)

Eight students from our school participated in HKUST-ExxonMobil iSTEAM Program 2024 - Smartbot Sports Day on 9 November 2024 (Saturday). They were divided into two groups, namely ‘Weightlifting Robot’ and ‘Fencing Robot’. They both attached **Achievement Level - Silver**. Throughout the program, students demonstrated teamwork, creativity, and problem-solving skills as they learned to design, build, and program their robots, applying concepts of engineering, robotics, and automation to tackle real-world challenges.
