

## International Junior Science Olympiad 2025 - Hong Kong Screening

(22 November 2024)

Our students achieved outstanding results in the International Junior Science Olympiad 2025 – Hong Kong Screening, co-organized by the Education Bureau, the Hong Kong Academy for Gifted Education, and Hong Kong Association for Science and Mathematics Education. **3D LI Qi-ru** attained the **First Class Honours**; **3D LI King-pui** and **3D WU Chung-long** attained the **Second Class Honours** whereas **3D HO Yik-him** and **3D LAM Ho-ting** attained the **Third Class Honours**.

The International Junior Science Olympiad (IJSO) 2025 Hong Kong screening aims at identifying scientifically gifted students at junior secondary levels for training in advanced science subject knowledge. Students' collaboration skills, critical thinking skills, creativity, and communication skills are enhanced through the IJSO student training programme.
